- Lighting
- Others
- Regional Analysis

On the basis of the geographical locations, the following regions were monitored:

- North America
- Europe
- China
- Japan
- Southeast Asia
- India

It was observed that the home decor market in developed nations like the UK and the US shows an inclination towards eco-friendly products. This can be attributed to the increasing awareness of environmental causes. Further, there has also been an increased demand for customized goods to satisfy the customer's requirements.
