Listed Key Players
Air Liquide(Airgas)
Linde Healthcare
Praxair
Air Products
Taiyo Nippon Sanso Corporation (Matheson Tri-Gas Inc.)
Messer Group
SOL Group
Norco
Air Water Inc
Shenzhen Gaofa

The oxygen therapy started around 1917 — oxygen cylinder most commonly used by the people who have a lesser amount of Oxygen in their blood. While using oxygen, one must be very careful about when to start and stop it. Medical Oxygen is produced in a cryogenic distillation process that results in separations of Oxygen, nitrogen, and argon from the air. In hospital Oxygen concentrators are used that purifies Oxygen from the received air. The U.S. Food & Drug Administration (FDA) makes the rule that nobody is allowed to purchase Medical

Oxygen and Oxygen concentrator or any other oxygen device without prescription. Oxygen therapy is taken by the people affected by cardiac arrest, cyanosis, shock, severe hemorrhage, and others.

Market Segmentation of Global Medical Oxygen Market

The Global Medical Oxygen Market has been segmented depending upon their types. The different types of segments in which the medical Oxygen available are,
Compressed oxygen cylinders- The Compressed oxygen cylinders are available in a metal tank inside which oxygen gas compresses under high pressure. It is not movable; the smaller size of this tank is also available, known as a portable cylinder, which lasts for a shorter period
Oxygen concentrators- Oxygen concentrator is an oxygen device used for oxygen therapy that purifies Oxygen from the air that it receives.

Liquid oxygen systems- it is the most recent oxygen therapy that can be applied at home to treat the disease like cystic fibrosis, asthma, dysphasia, COPD, lung disease, cardio arrest, and pneumonia.

Major Geographical Regions of the Global Medical Oxygen Market

Based on the region, the global market of medical oxygen production covers countries like the United States, Europe, China, Japan, and others. Global demand for medical oxygen consumption covers Mexico, Canada, United States, China, India, Japan, Vietnam, Australia, Malaysia, Indonesia, Thailand, Philippines, Germany, Russia, Brazil, Italy, France, Turkey, Egypt and other

Industry Insights
