PUNE, INDIA, November 12, 2019 /EINPresswire.com/ --

[Pork Meat Market 2019](#)

Pork is the meat acquired from pigs. The finest pork meat is obtained from butcher hogs, which are slaughtered when they are 6 months old. Pork is available as ground meat, sausages, chops, bacon, hot dogs, meatballs, nuggets, and other products.

With the increase in pig breeding technologies, the industry has expanded to reach out to a larger audience. As a result, manufacturers can not only gain access to high-quality meats, but they can also produce a wide range of standardized products. Further, the tilt towards high protein foods is also giving the market a boost.

The key manufacturers in the pork meat market that have been analyzed based on the publically available data such as business profile, capacity, price, cost, production, revenue, etc. include:

China Yurun Food Group
Tyson Foods
