

Registration opens for 15th Military Space Situational Awareness Conference

SMi Group Reports: The Military Space Situational Awareness conference will return to London on the 29th and 30th April 2020.

LONDON, UNITED KINGDOM, November 14, 2019 / EINPresswire.com/ -- Conference organisers, SMi Group are proud to announce the return of the [15th annual Military Space Situational Conference and Exhibition](#), taking place on the 29th – 30th April, in London.

Registration is now open and an £400 early bird discount will be applied for bookings made by 13th December 2019 at www.military-space.com/einPR1

This year's meeting tackles the issue of congestion within space. Military Space Situational Awareness 2020 will also be an opportunity to meet and network with 100+ international representatives from leading organisations across the globe.

[Key focuses include space debris, space surveillance and tracking \(SST\)](#), space weather, the impact of new mega-constellations, international partnerships in space and more.

New addition to 2020's agenda will include:

- Representation from the South African Space Agency and Austrian DoD
- Dedicated segment on space weather
- Updates on A-SAT capabilities of near-peer adversaries

Along with leading experts from the host nation in the UK presenting at the conference, more [international representation will speak at the event](#) such as:

- Brigadier General Friedrich Teichmann, Director, Geospatial Institute, Austrian MoD
- Lieutenant Colonel Walter Villadei, Chief, SSA and SST, Italian Air Force
- Squadron Leader Joshua Fitzmaurice, Staff Officer Surveillance of Space, AFHQ Director of ISR, EW and Space, Royal Australian Air Force
- Major Michel Bulte, NL Liaison at the German Space Situational Awareness Centre, Royal

Military Space Situational Awareness Conference 2020
