[EINPresswire.com/](http://EINPresswire.com/) -- The new eCommerce platform at [Shayna Rose Interiors](http://ShaynaRoseInteriors.com) is changing the game for homeowners, interior designers, and real estate agents alike. The custom, quick-ship solutions offered by Shayna Rose Interiors allow you to create your ideal design, in your budget and on time.

“The interior design industry has a startling lack of options for consumers who want to create custom, high quality furnishings on a tight turnaround and a reasonable budget,” says CEO Shayna Rose Pellino. “We’re here to solve those problems and help everyone get exactly what they want.”

How does it work? Simply go to [shaynaroseinteriors.com](http://shaynaroseinteriors.com) and design your ideal upholstered platform bed. With the Vincenza collection, you choose your platform base, headboard, fabric, tufting style, and accents. Within three weeks, your brand new, fully customized bed arrives to your home. A one week rush shipping option is available for people who need to sleep easy, knowing their bed will arrive in time for move-in. Our team will deliver and install the bed so you can get back to dreaming up your next custom design, like window treatments, bedding, or custom-cut carpet. Want one for Fido? Shayna Rose Interiors offers matching custom dog beds, as well!

“

You can totally customize this bed in any way you want. Add channeling, nailheads, welting, or any other feature you envision. Send us your own fabric, if you desire! We’re here for you.”
