The Juul Options Legal Center of California Encourages Users of JUUL to Call for Access to The Steinberg Law Group - Experience/Resources/Results

LOS ANGELES, CALIFORNIA, USA, November 14, 2019 / EINPresswire.com/ -- The [Juul](#) Options Legal Center of California is dedicated to providing the best possible legal assistance to those injured by JUUL products. Anyone wishing to discuss their legal options should call (888) 891-2200 to speak directly with an attorney at The [Steinberg](#) Law Group.

The Juul Options Legal Center of California has endorsed The Steinberg Law Group because of their vast experience in handling mass action and class action cases. With offices in New York, California and Texas, The Steinberg Law Group has a national footprint that helps win the best possible financial compensation for clients.

JUUL Pods contain a high level of [nicotine](#), which increases the risk of long-term addiction. Nicotine use has been linked with a number of health and developmental problems in humans, particularly in teens and young adults. This is why parents and teachers around the country are now concerned about the growing popularity of the JUUL e-cigarettes. Vaping JUUL products can lead to severe burns, scarring and disfigurement plus tooth loss and major respiratory issues.

For more information about your JUUL legal options, call (888) 891-2200 or visit www.juuloptions.com.

Use of JUUL products can lead to a number of severe injuries.

JUUL has targeted their products to young adults and minors.
