

# Leading Ethiopian Startups vie for finalist place at the 2020 edition of the Startup World Cup in Silicon Valley

*Pegasus Tech Ventures partners with the African Technology Foundation to select regional finalists at P!TCH ETHIOP!A 2019 in Addis Ababa*

PALO ALTO, CALIFORNIA, UNITED STATES, November 17, 2019

/EINPresswire.com/ -- Eight of the leading Ethiopian startups will compete for a place at the finals of the 2020 edition of the Startup World Cup in Silicon Valley hosted by Pegasus Tech Ventures. On Friday November 22nd 2019, at the Sheraton Hotel in Addis Ababa, the selected startups will pitch to a global audience of investors, media and African innovation stakeholders as part of the 2019 edition of P!TCH ETHIOP!A.

P!TCH ETHIOP!A is a startup pitch and demo event that convenes global investors, founders, and startup enthusiasts to witness the future of Ethiopia. The selected Ethiopian startups will receive two days of Startup Bootcamp, led by the [African Technology Foundation](#), before taking the stage to pitch their platforms to global investors, customers, and government partners.

P!TCH ETHIOP!A also presents an opportunity for the winning Ethiopian startup to compete for US\$1 Million at the finals of the Startup World Cup, the largest global startup pitch competition hosted by Pegasus Tech Ventures in Silicon Valley California. The winning startup from the P!TCH ETHIOP!A finalists will be selected to compete with 40+ other finalists in the United States for a grand investment prize of US\$ 1 million!
