three fabulous evening gala events planned by David Tutera.

At the Experience each guest will be on their own individual journey, and will leave with an invaluable and unforgettable experience. With David and his team of experts, attendees will learn new information, trends and ideas, as he shares his knowledge and expertise, and hands on sessions, in an intimate setting, which allows attendees the opportunity to be transformed, inspired and motivated to take the next steps to build their business and career. "Success comes with hard work, and confusion. If we can embrace that, we will be amazing", adds David. That is what the Experience provides. It helps people understand about their businesses and themselves.

David created the Experience with the goal of elevating and evolving the event industry and to help event professionals to Dream Bigger for themselves and their business. After 30 years in the industry David views the Experience as his opportunity to pay it forward sharing insight and creating experiences for other industry professionals. David's expertise will also be used to brand "Tutera Tips" which will allow David's rich unique experiences to support retail partners

through David Tutera blogs, onsite activations and integrated social media content. In addition, elements of the experience may be used to inspire a possible David Tutera Let's Celebrate Live Event Tour.
