Gregory Herrman, an attorney in Corpus Christi with Herrman & Herrman, PLLC, urged drivers to stop using their phones in an AskTheLawyers.com™ legal brief.

CORPUS CHRISTI, TX, UNITED STATES, November 21, 2019 /EINPresswire.com/ -- Gregory Herrman, a personal injury attorney in Corpus Christi with Herrman & Herrman, PLLC, recently urged drivers to stop using their phones while driving in order to save lives in an [AskTheLawyers.com™ legal brief](#).

Herrman said that his law office gets calls every day from people seriously injured by [distracted drivers](#) on their phones.

"Everyone thinks a wreck will never happen to them and that this text will only take a split second, but then it's too late," he said. "In an instant, a driver who is texting can ruin their own lives and other innocent people on the road. Believe me, the text can wait."

He urges anyone hit by a car in the Corpus Christi, McAllen or San Antonio area to contact his law firm to investigate fault in the wreck. He can find out if the driver who hit you was on his or her phone at the time of the accident, but those records can disappear if the victim fails to act quickly.
