

Louisiana Mesothelioma Victims Center Has Endorsed the Law Firm of Karst von Oiste for a Veteran or Person with Mesothelioma in Louisiana and They Offer Direct Access to Attorney Erik Karst For Much Better Compensation

BATON ROUGE, LOUISIANA , USA, December 20, 2019 /EINPresswire.com/ -- The Louisiana Mesothelioma Victims Center says, "If you have just been diagnosed with mesothelioma in Louisiana and or this is your family member please call us anytime at 800-714-0303 so that we can introduce you to attorney Erik Karst of the law firm of Karst von Oiste. The amazing lawyers at the law firm of Karst von Oiste are responsible for over a billion dollars in financial compensation results for people with mesothelioma and asbestos exposure lung cancer and they work overtime for their clients." www.karstvonoste.com/

The Louisiana Mesothelioma Victims Center offers direct access to attorney Erik Karst of the law firm of Karst von Oiste because Erik will be able to answer specific questions about mesothelioma or mesothelioma compensation on the spot. The group believes the people with mesothelioma ordering 'free' packages, books or kits about mesothelioma is a waste of time as they would be happy to discuss anytime at 800-714-0303. The number one goal of the Louisiana Mesothelioma Victims Center is to ensure a person or Navy Veteran with mesothelioma in Louisiana receives the very best possible financial compensation results.

The group is warning a Navy Veteran or person with mesothelioma in Louisiana to not call a local car accident attorney or call about 'free' books, kits, packages or calculators because this is a law firm's way of getting the name and phone number of people with mesothelioma. "If you call us at 800-714-0303 with your permission, we will have attorney Erik Karst of the law firm Karst von Oiste call you to discuss how the compensation process works and what your mesothelioma compensation claim could be worth. We want everyone with mesothelioma to get the best possible compensation results. We don't want them wasting their extremely valuable time with

lawyers who may-or may not know what they are talking about."

High-risk work groups for exposure to asbestos in Louisiana include Veterans of the US Navy, power plant workers, shipyard workers, oil refinery workers, chemical plant workers, public utility workers, factory workers, plumbers, electricians, insulators, auto mechanics, machinists, and construction workers. Typically, the exposure to asbestos occurred in the 1950's, 1960's, 1970's, or 1980's. www.karstvonoste.com/

When it comes to treatment options for mesothelioma in Louisiana the Louisiana Mesothelioma Victims Center strongly encourages diagnosed victims to contact the following cancer treatment centers in Louisiana, and in Texas. Note: The MD Anderson Cancer Center in Houston, Texas may be one of the most capable mesothelioma treatment centers in the world.
