

# International Speakers Announced for Defence Aviation Safety Conference 2020

*A variety of exciting international presentations have been announced for the Defence Aviation Safety conference, which will convene in London next April.*

LONDON, UNITED KINGDOM, November 21, 2019 / EINPresswire.com/ -- As the only event solely dedicated to defence safety within military aviation, [Defence Aviation Safety](#) will offer a unique opportunity for leaders and experts to meet and share best practice that will save lives and protect capability.

Registration is live on the website and an early bird saving of £400 is available for bookings made before 13th December 2019: [www.defenceaviationsafety.com/EINpr2](http://www.defenceaviationsafety.com/EINpr2)

The two-day event, which will convene in London on the 23rd and 24th of April 2020, will host both UK and international military leaders and defence experts, providing delegates with the chance to network with and hear presentations from experts from around the world.

With this in mind, SMi Group are delighted to announce the following presentations from international speakers:

- Delivering a Total Systems Approach to Safety in Aviation  
Presented by Major General Gunter Katz, Head of MAA, German Armed Forces
