Get to know this year's winner in the category of The Best Luxury Local Jewelry Brand in Moscow, Russia — [Liza Borzaya](#) jewelry brand.

Liza Borzaya

The company's story begins, when a strong, creative, and ambitious woman — Liza Borzaya herself — learns the differences between good, run-of-the-mill jobs, and unique, outstanding ones, while representing jewelry brands in Russia. Liza never wanted to settle for the ordinary, so, with over a decade of experience in this business and an eye for immaculate detail, she decides to bring something interesting to the jewelry world. As a result, her homonymous company is born in a small workshop in 2015. Over these years, the brand has grown into a recognized player in the jewelry market, releasing its own collections.

Placing a bespoke order with Liza Borzaya is a one-of-a-kind, lavish experience, where the client is at the heart of the exciting journey. A talented creator and a dedicated businesswoman, Liza Borzaya gives life to your desires in the form of a unique fine jewelry piece, fusing cutting-edge design with exceptional craftsmanship.

Looking through the brand's collections brings true aesthetic pleasure. Capture snapshots of Summer through the most beautiful and captivating flora and fauna. Show your charmingly rebellious side by wearing the Get Inked collection's pieces. Own any room with the magnificent Classik designs (various degrees of personalization are available upon request). The Fairytale Gardens collection is the epitome of inspiration and passion. Hot enamel designs and lilies became a canvas for magical stories about fabulous flowers and beautiful birds. Liza Borzaya also supports the clients of the Kotodetki Foundation: some of the funds from the jewelry sales go to help homeless animals. Those cat brooches look so cute, you are almost waiting for them to say "Meow".

With Liza Borzaya brand, you can also shop high jewelry. The special mixture of diamonds, some of which are intricately carved into the marquise cut, creates an airy feel, which allows the Birds

of Paradise to dance among the olive branches. Look at those breathtaking necklaces, brooches, earrings, bracelets, and rings — wearing them will make you feel inspired to conquer any heights you wish. Delivery of Liza Borzaya orders is free all over the world.

Liza Borzaya jewelry items are perfect gift ideas and ways to spoil yourself. This brand proves that dreams come true, when you have knowledge, passion, and perseverance to pursue them. It shows that great things and big companies can be born in a small room, with one person's idea. Each piece of Liza Borzaya jewelry tells a story — a story of creativity, beauty, big dreams, and a better world we all want to be living in.
