

Top decision makers to present at SMI's 9th Annual Pharmaceutical Microbiology Conference 2020

SMi Reports: Summary of speakers announced for Pharmaceutical Microbiology 2020 in London

LONDON, UNITED KINGDOM, November 21, 2019 / EINPresswire.com/ -- SMI Group's 9th Annual [Pharmaceutical Microbiology Conference](#) is set to take place on the 20th and 21st January 2020 in London.

The event will provide a great opportunity to learn from pharmaceutical microbiology experts discussing endotoxin testing, best practices in cleaning & disinfection and contamination control. The conference will be co-chaired by James Drinkwater, Chairman, Pharmaceutical & Healthcare Sciences Society and Olivier Chancel, Sterility and Aseptic Process Assurance Expert, Boehringer Ingelheim.

This year's event involves a wide selection of established pharmaceutical companies that have already registered, including: Microbiologics, Associates of Cape Cod International, Copan Italia SpA, Mettler-Toledo, Microgenetics, PHSS, Reading Scientific Services, Veltek Associates, Mettler-Toledo and many more.

Industry case studies will disclose their experiences and strategies to Microbiology. The expert speakers include: Infarmed IP, AstraZeneca, GSK, SDA Pharma, MedImmune, MeiraGTx, Paul Ehrlich Institut and STERIS Corporation.

For those interested in attending, there is an early bird saving of £100 for bookings made by 29th November. Register at www.pharma-microbiology.com/EINpr4

With that said, more additions to this year's conference involves:

New spotlight sessions:

- 'Effective risk Management of Microbial Contamination, and, Microbial Control considerations for Tablet Manufacture' by AstraZeneca

SMi's 9th Annual ...

Pharmaceutical Microbiology UK Conference

Copthorne Tara Hotel, London, UK
20th - 21st January 2020
