BALTIMORE , MARYLAND, USA, December 20, 2019 /EINPresswire.com/ -- The Maryland US Navy Veteran Mesothelioma Advocate says, "We have endorsed the law firm of Karst von Oiste and their founding partner Erik Karst because these remarkable attorneys consistently get the best possible financial compensation results for their Navy Veteran clients who have this rare cancer. If you are a Navy Veteran with recently diagnosed mesothelioma in Maryland or their family member, please call us anytime at 800-714-0303 for direct access to attorney Erik Karst. Rather than a 'free' book, kit or package about mesothelioma-attorney Erik Karst of the law firm of Karst von Oiste can answer specific questions.

"The remarkable lawyers at the law firm of Karst von Oiste are responsible for over a billion dollars in financial compensation for their clients with mesothelioma or asbestos exposure lung cancer and they work overtime for their clients. They also make it a priority to visit a Navy Veteran with mesothelioma in the Veteran's home in Maryland or anywhere in the nation because in the face to face meeting the lawyers learn about the person's exposure to asbestos. It is this information about asbestos exposure that becomes the basis for a mesothelioma compensation claim as we would like to discuss anytime at 800-714-0303."
