EINPresswire.com/ -- When creating a luxurious 18-hole championship style golf course, you must forget about limitations. This is the only way to turn 500 acres of barren and flat desert into one of the finest golf courses in UAE and an ideal place for spending time with family or business partners.

[Trump International Golf Club, Dubai](#) was opened in 2017, and this year it proves itself again to be one of the best in the UAE golfing industry by winning the [Luxury Lifestyle Awards](#) in the category for The Best Luxury Golf Club in Dubai, for the second year in a row.

Trump International Golf Club in Dubai

Trump International Golf Club, Dubai has everything to be the first in design, comfort and service quality. The Club`s main point of pride is the fabulous course sculpted by the world-renowned golf course architect Gil Hanse. With a blank canvas to start with, he envisioned a world-class 18-hole golf course with a links-style class of its own. With undulating fairways, which require careful consideration of each shot in order to score. The one-of-a-kind course is a perfect golfing experience, both for beginners and for top golfers alike. With other fantastic facilities such as their PAR 3-night golf and 2 state-of-the-art indoor swing studios, now coupled with a TrackMan Range coming soon with their double-sided floodlit driving range, the Trump Golf Performance Academy lessons help beginners and regular players enhance their skills using the latest in golf technologies. The level of unique luxury golf is unsurpassable in 2020.

The experts of Luxury Lifestyle Awards also commended the luxury experience provided by the exquisite 30,000 square foot Clubhouse. The expansive Golf Pro Shop offers the top golfing brands and Trump Golf accessories. Each aspect of the Club proves that the Trump Golf brand is a world-class provider of luxury golf and hospitality services.
