SANDY, UTAH, UNITED STATES,  
November 27, 2019 /  
EINPresswire.com/ -- An opportunity to benefit charitable causes in communities all around the United States. We are not just one charity—We Are Thousands!

A veteran dealing with emotional issues rooted in war finds help. A mother fleeing physical abuse with her children obtains safe shelter. A child rescued from sex trafficking receives rehabilitation support. A service club provides scholarships for local students. A veteran's home accepts donated bedding and food supplies for their residents. An elementary school student plays on newly installed safe playground equipment.

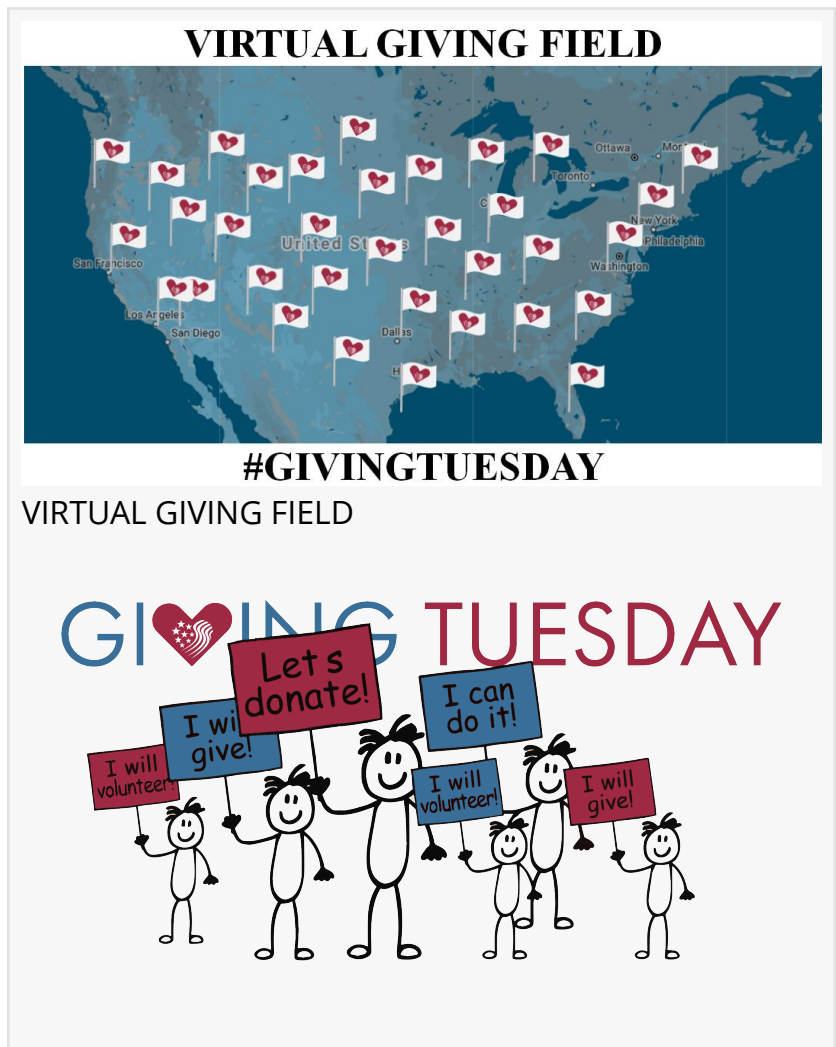

What do all these examples of charitable support have in common? We are the first link in a chain of helping. We have been providing a successful platform to raise money for local charities for almost two decades, and during the current year alone, over sixty [Colonial Flag Foundation](#) flag display events raised over a million dollars for their chosen local charities.

“

Join the global generosity movement unleashing the power of giving!”
