

# Political Analyst Kelly Hyman Appeared On Fox News To Discuss 2020 Democrat Pete Buttigieg's Rise To First Place In Iowa

DENVER, COLORADO, UNITED STATES, November 27, 2019 / EINPresswire.com/ -- On November 18th, 2019, [Kelly Hyman](#) appeared on Fox News with Omari Faulkner.

Kelly and Omari discussed a new poll of 2020 Democrat Pete Buttigieg's surge to first place in Iowa.

The debate was about whether Buttigieg could sustain that lead nationwide.

On one side is Kelly Hyman. She is a political analyst, lawyer, author, speaker, and democrat. Her opponent is Omari Faulkner. He is a strategist, business developer, public affairs officer in the U.S. Navy Reserve, and a conservative.

In a recent poll, Democrat Pete Buttigieg had a sixteen-point rise in the polls where he took the lead in Iowa. This significant jump made for an interesting conversation on Fox News.

Omari talked about how it seems the left does not know who they want to lead. He feels it is up in the air right now.

"It is a trend going further and further to the left. So many Democrats are joining the ring," says Faulkner.

[Kelly Hyman thinks](#) other candidates have a good chance of taking the lead. But she talks more about why Buttigieg is leading in the polls right now.

Kelly says, "Pete Buttigieg has a centrist agenda, more than a liberal one. That is why he is increasing in the polls."

When Kelly Hyman refers to a "centrist agenda," she is referring to the political term centrism.

In politics, centrism is a political outlook or position. It involves acceptance of a balance of social equality and social hierarchy. Confronting legislative changes that would result in a significant shift in society. Either, sharply to the left or the right.

Omari Faulkner shares how he is currently running for Senate. He says, "Taking away a person's

right to bear arms is too far-right and too radical. We need to focus more on jobs like our current President instead of impeaching him for no reason.”

It is clear, with Kelly Hyman’s new book, “Top Ten Reasons To Dump Trump in 2020,” this is not a view they share. Nor are their viewpoints about Democrat Pete Buttigieg.

It was apparent where each of them stood about this matter during their debate on Fox News.
