

Veppo Announces Black Friday Sale

Online vape store Veppo has announced a blowout Black Friday sale.

ASHLAND, OREGON, UNITED STATES, November 28, 2019 / EINPresswire.com/ -- One could say it's been a rough couple of months for vapers in the United States, but they've definitely got reason to smile now. [Veppo](#) has just announced their Black Friday sale starting this Thanksgiving day all the way through Cyber Monday!

With the holiday season coming up, you may want to invest in that [vaporizer](#) you've been eyeing for a while, or help a smoker in your life make the switch to [e-cigarettes](#). Regardless of what you're looking for, you'll most definitely find something that matches your needs and your budget.

Veppo's range of product offerings includes e-cigarettes, vape mods, vaporizers, e-cigars, e-liquid, cartomizers, and accessories. The massive collection includes Veppo's own much-loved designs, as well as popular brands like Kanger, Eleaf and The Vault, to name a few.

The Black Friday sale will have dynamic deals on different items. In fact, this is as good a time as any to sign up for the Veppo newsletter so you don't miss out on insider deals or sale extensions.

Despite the fact that vape-related issues seem to correlate with black market THC vape products with crude thickening agents, the response from anti-vape lobbyists has been alarmist. The future of legitimate, legal vapes is also in jeopardy. This Black Friday, stock up for the possible vape-pocalypse at <http://veppocig.com/>
