--

Direct Selling in Australia Market 2019-2022

Description:-

The traditional direct selling model is evolving, and an increasing number of direct sellers are embracing social selling by taking advantage of the various social media platforms, such as Twitter, Instagram and Facebook, to reach out to a wider audience and foster a better rapport, despite not being face-to-face. Direct sellers are facing a paradox. Traditionally, these companies rely on personal connections. However, the shift in how people consume media is resulting in companies needing to ke...
