PITTSBURGH, PENNSYLVANIA, UNITED STATES, December 1, 2019 /EINPresswire.com/ -- [Pittsburgh salon, Salon IAOMO](#), has earned the prestigious Talk Award for Customer Satisfaction. In fact, this is the ninth straight year the salon has brought home the Talk Award for always providing an excellent experience for its customers.

The [Talk Awards](#) identifies and honors businesses that provide an outstanding customer experience. Winners are based on an independent, proprietary research and evaluation system, which identifies businesses with a track record of excellent customer service and satisfaction. The rating system combines data collected from nominations, online and other customer reviews, surveys, blogs, social networks, business-rating services, and other honors and accolades — all of which express the voice of the customer. Only those with a 4- or 5-star rating receive The Talk Award.

The salon’s nine consecutive Talk Awards are an indication that clients are satisfied with their experiences.

“Even though I usually tend to be picky when it comes to who gets to cut my hair, all the girls at this salon are awesome!” says Leann Krofcheck. “They can always count on my haircut being long overdue when they see me because I have a bad habit of putting it off. With that being said, when I do make it into the salon they do an amazing job at fixing me up. Every time I walk out feeling so much better and more confident than I did when I came in. Highly recommend checking them out!!”

“This is my favorite salon in Pittsburgh!” says Anne Grubor. “I have been coming here for about three years and always get the right color for my highlights and the right cut because Jess is awesome!! If you’re looking for someone who really takes the time to make sure your hair is perfect, this is the right person to go to!”
