MARBELLA, MALAGA, SPAIN, December 2, 2019 /EINPresswire.com/ -- The [Last Chance Animal Rescue](#) #LCAR, held a charity event at the fabulous restaurant Neli G's in Benavista on 29th of November 2019.

There was a huge turnout much bigger than expected. An assortment of local talent provided a vast range of wares from bikinis and handmade Christmas cards to personalised pyjamas and vegan chocolate brownies. The tombola and raffle were a great success with fantastic prizes including printers and organic dog treats!

It was a fabulous event and just over €1000 was raised for the charity. The generosity of those donating will cover vet bills and more importantly, enable Last Chance Animal Rescue to save more lives.

Amongst some of the sponsors of the event was [JUCRA Digital](#), a local digital company based in Marbella who had the honour of sponsoring the Santa's grotto.

"Worryingly we live in a world where animals and pets are thrown away like pieces of garbage when in fact they are living things and if we can contribute to this great cause by donating to charities like Last Chance Animal Rescue which tries their best to raise awareness and care for these precious beasts then I feel that we are doing something right" said Justin Parks, Partner at JUCRA Digital.
