

Canna Group LLC Launches Alternative Business Financing Programs Across All Industries Including “High Risk”

Shortlisted by Silicon Review as one of the 50 Best Companies to watch in 2019, Canna Group LLC is recognized as one of the pioneers in the payments industry.

COLUMBUS, OH, UNITED STATES, December 2, 2019 /EINPresswire.com/ -- Canna Group LLC is pleased to announce that they are offering new financing programs to their clients. The program offers both traditional loans and cash advances, and can range from \$5,000 to \$500,000 to help business owners who are in need of some extra working capital. Even the most successful businesses need access to money sooner or later to cover the unexpected or prepare for growth.

“The terms, which range from 5 to 24 months, are manageable and convenient,” a company spokesperson noted. As a major bonus, instead of an endless loan application process that involves reams of paperwork and hours of time, Canna Group LLC can get most businesses pre-qualified for either program with a simple, one-page application.

Good businesses deserve easy, fast access to loans for any business reason: Renovate, Expand, Consolidate Debt, Buyout a Partner, Operating Expenses, Payroll, New Equipment, Inventory, or to just handle an emergency.

“Simply Put, with our programs you may qualify for up to 125% of your future credit card receivables” Canna Group LLC spokesperson Domenic Buccilla commented.

If you have a healthy business and could use working capital financing, contact us today and see how simple our process is.
