Dr. Jordan Tishler is a Cannabis Specialist. Through his training in Internal Medicine, and years of practice as an emergency physician, Dr. Tishler brings his knowledge, reason, and caring to his patients, and through his advocacy work at the local and national levels. Dr. Tishler graduated from both Harvard College and Harvard Medical School, trained at the Brigham and Women's Hospital, and is faculty at both.

He has spent many years working with the under-served, particularly providing care for veterans. Having treated countless patients harmed by alcohol and drugs; his observation that he had never seen a cannabis overdose lead Dr. Tishler to delve deeply into the science of cannabis safety and treatment. Among his other accolades - he is also the President of the Association of
