

# Industry to gather at Latin America's biggest fertilizer networking event

*Doors open next month to the 31st annual Fertilizer Latino Americano (FLA) conference*

LONDON, UNITED KINGDOM, December 4, 2019 /EINPresswire.com/ -- Global energy and commodity price-reporting agency Argus, in conjunction with CRU, will host the 31st annual [Fertilizer Latino Americano \(FLA\)](#) conference in São Paulo, Brazil, on 20-21 January 2020.

The industry's longest established conference is widely recognised as the biggest fertilizer networking event in Latin America, regularly gathering over 700 professionals and senior industry specialists from across the globe.

Brazil accounts for 64pc of Latin America's consumption, providing an ideal location for those involved in the region's fertilizers supply chain to meet and do business.

In addition to an exhibition showcasing innovative products and services, FLA will feature a comprehensive three-day agenda, welcoming over 40 leading-industry figures, including:

- Marcelo Fernandes Guimaraes, Director, Department of Risk Management, Ministry of Agriculture, Livestock and Food Supply of Brazil
- Prof. Ismail Cakmak, Researcher, Sabanci University
- Corrine Ricard, Senior Vice-President, Commercial, Mosaic
- José de Sousa, Program Manager – Supply, International Fertilizer Association
- Guilherme Filho, Director of Agricultural Policies and Information, Conab
- Alberto Rodríguez, Chief Executive, Fertieuropa

Agenda highlights include sessions on micronutrients in Latin America, an outlook on market dynamics for biostimulants, case studies on Colombia, Chile, Brazil and Paraguay, and insights into the use of added-value fertilizer products, including enhanced efficiency fertilizers, slow and controlled-release fertilizers and biofertilizers.

Attending companies include:

ABIOVE | Abisolo | Acron USA | Actagro | ADOB | Agaleus Medioambiente & Energia | Agrefert.AR | Agrifert Liven International | Agrinos | Agrofertrans | Agrogestion Vitra | Agronomic Institute of Campinas | Algaia | Allied Harvest Company | AMA Brasil | Ameropa | Aminochem Fertilizers | Anthem Bank & Trust | Applied Chemical Technology | Arab Potash Company | Arkema-ArrMaz | ArrMaz do Brasil | BB Representações | BBAgro Global | Belarusian Potash | Blue Star Company | Borax Argentina | Bradley Pulverizer | Bunge | C.I

The poster for the Fertilizer Latino Americano conference features the logos of Argus and CRU at the top left. The main text, enclosed in an orange-bordered box, reads: "Fertilizer Latino Americano January 20-22, 2020 São Paulo, Brazil An Argus and CRU collaboration". Below this box, it says "Join over 700 key market players at the biggest fertilizer networking event in Latin America". The right side of the poster shows a photograph of a modern cable-stayed bridge at night, illuminated with colorful lights.
