

# Cosmetic Dentistry in Reading Helping Patients Smile with Confidence

*Affordable Dental Solutions offers dental implants, dentures, and crowns.*

READING, PA, UNITED STATES, December 5, 2019 /EINPresswire.com/ -- Affordable replacement options for missing or damaged teeth are available from Affordable Dental Solutions in Reading. Patients can find high-quality, affordable care from ADS's team of [Reading dentists](#).

Dental implants are one of the services ADS offers in Reading. A single dental implant includes both the abutment and crown for only \$2,000. The stability and longevity of dental implants have made them a popular treatment option.

ADS also offers [dentures in Reading](#). Full dentures cost only \$650 per arch and partial dentures cost only \$750 per arch. Implant-retained dentures are available for \$2,999 when two dental implants are added to a patient's existing lower denture.

"Patients sometimes opt for implant-retained dentures because of the stability they provide," explains Dr. Kerri Ann Swan of ADS.

Crowns are also a service provided by ADS. Dental crowns help repair a tooth damaged by decay and are color-matched to a patient's existing teeth.

To learn more about affordable crowns, dentures, and [dental implants in Reading](#), request an appointment with ADS by visiting <https://affordabledentalsolutions.com/request-appointment/>. New patients are being accepted.

About Affordable Dental Solutions: Based in Eastern Pennsylvania, Affordable Dental Solutions is a provider of full dentistry services. For nearly a decade, Affordable Dental Solutions has offered patients procedures such as dental implants, crowns, and dentures at rates much lower than area competitors by utilizing state-of-the-art equipment and by negotiating discounts with implant manufacturing companies.
