Exeter Orthodontics provides affordable braces in Exton for teens and adults

"Because our team performs only orthodontic care, we've been able to develop the technology and efficiency that helps us save costs," explains Dr. Soraya Mills, [orthodontist in Exton](#). "We pass these savings on to our patients."

[Invisalign in Exton](#) is also available for only \$3,995. Invisalign uses transparent, removable aligners to shift teeth into place. They are an increasingly popular option, especially among adults.

To learn more about traditional braces and Invisalign aligners, schedule a free consultation with Exeter Orthodontics by visiting <https://exeterorthodontics.com/request-appointment/>. New patients are being accepted in Exton, Lansdale, Easton, Reading, Blandon, and Allentown.
