

Savvy Investor Awards – PGIM wins “Best Investment Paper 2019”

Savvy Investor announces the results of the Savvy Investor Awards 2019

LONDON, UNITED KINGDOM, December 9, 2019 /EINPresswire.com/ -- Savvy Investor www.savvyinvestor.net has announced the winners of the annual “Savvy Investor Awards”, designed to recognise the best pensions and investment white papers of 2019.

The Award for “Best Investment Paper 2019” was given to PGIM for their report, “The Future Means Business: Investment Implications of Transformative New Corporate Models”.

This 40-page study examines the evolution of corporate business models and explores how investors should respond to the radical changes taking place. The authors identify three new business models they believe are transformational, referred to as “weightless firms”, “superstar firms” and “purposeful firms”.

Click to access the paper and to see the [full list of 2019 award winners and commended papers](#).

Savvy Investor is the world’s leading resource hub for institutional investors. Each year the site curates more than 8,000 white papers, providing a unique platform from which to host the Awards.
