

# Pre-Filled Syringes East Coast 2020 to Discuss Key Topics Driving the Industry

*SMi Reports: Pre-Filled Syringes East Coast 2020 will highlight regulations, digital technology, innovative design and delivery systems, and more.*

BOSTON, MASSACHUSETTS, UNITED STATES, December 5, 2019 /EINPresswire.com/ -- Building on the success of last year's event, which saw 100+ attendees convene in Boston, [Pre-Filled Syringes East Coast](#) will bring together industry leaders to discuss regulations, new digital technology trends, human studies and innovative design and delivery systems in the pre-filled syringe industry.

The conference, which will be held in Boston on the 27th and 28th of April 2020, will explore industry challenges and the changing global market, as well as provide delegates with the opportunity to meet and network with key industry players.

Bookings made before 13th December 2019 will receive a \$400 early bird discount. Interested parties can book at: [www.pfsamericas.com/EINpr3](http://www.pfsamericas.com/EINpr3)

The [two-day conference](#) will cover key topics driving the industry including:

- Container Closure Interaction and Formulation
- On-body Injectors
- Digital connectivity in the parenteral space
- A regulatory outlook with industry and recognised body experts
- Patient centricity and device development
- Developments in device technology
- Parenteral gene therapy

Plus, the event will feature a post-conference Interactive Workshop Day, with the following sessions:

- Combination Product Development – A roadmap for success  
Led by Michael Song, Senior Manager, Dosage Form Design and Development, AstraZeneca
- Drug Delivery Device Testing Solutions  
Led by Michael Goehring, Medical & Pharmaceutical Industry Manager, ZwickRoell
- How to pass a Human Factors Validation study  
Led by Marc Egeth, PhD, Senior Director, Core Human Factors, Inc. and Pati Anderson, Mse,
