

Holden House for the Holidays. Decorations, Christmas Recipes, and Discount Specials for the Season...

'Tis the Season to be jolly and at Holden House B&B, the inn goes "all-out" to celebrate the holidays with lights, garlands, sights and sounds of Christmas.

COLORADO SPRINGS, COLORADO, UNITED STATES, December 9, 2019 /EINPresswire.com/ -- It's said that there's no place like home for the holidays and at [Holden House](#) you can have the best of both worlds with a comfortable place to call home without the actual work of having to decorate your own home. Each year, Innkeepers Sallie and Welling Clark put their love of the holidays into decorating the inn from top to bottom, including the guest suites, with a blend of traditional and unique Christmas holiday ornamentation throughout their B&B.

Holden House in Colorado Springs is the perfect place to call home for the holidays.

"The Christmas and holiday season is one that stands out for us each year", said Welling Clark, who has owned and operated the Holden House since 1986 with his wife, Sallie. "Our passion for welcoming guests is underscored by the opportunity to share our home and hearth with guests from all across the nation and throughout the world at Christmastime. We have a deal in our house, I hang the outdoor lights and Sallie puts the delicate decorating touches on the garlands and each of our seven-plus Christmas trees. And, our nutcracker collection which fills up the antique oak fireplace mantle, has grown from year-to-year as an especially appreciated highlight for guests during the month of December."
