

Corporate Renaissance Group Signs Distribution Agreement with IDU

Corporate Renaissance Group has announced it has finalized a distribution agreement with IDU, a corporate budgeting, forecasting and reporting software.

TORONTO, ON, CANADA, December 11, 2019 /EINPresswire.com/ -- Corporate Renaissance Group ([CRGroup](#)), a Quisitive Company (TSXV:QUIS), has announced it has finalized a distribution agreement with IDU, a corporate budgeting, forecasting and reporting software.

We're delighted to partner with an industry leader like CRGroup to extend our reach in North America and the Caribbean. "

Kevin Phillips, CEO of IDU

IDU's flagship product, idu-Concept(TM), provides budgeting and financial reporting for medium-sized to enterprise businesses. idu-Concept has been named a leader in the budgeting and reporting category and a high performer in the Corporate Performance Management

Categories of the G2 Crowd(TM) Fall 2019 Report, as well as being named one of the top financial planning applications by Gartner(R). idu-Concept was developed to eliminate barriers to reporting by allowing businesses to leverage existing systems and tools for extensive reporting and data visualizations.

The agreement grants CRGroup the right to market, sell and implement idu-Concept across North-Eastern United States, Canada and the Caribbean.

This partnership with IDU not only strengthens CRGroup's position in the FP&A transformative space but addresses a need in the marketplace for affordable budgeting software that leverages existing technical investments and data reporting platforms like Microsoft Power BI(TM), SQL(TM), and Azure(TM).

"We are very excited to strengthen the idu-Concept footprint in the North American and Caribbean markets," said Thomas Ironstone, Manager, CPM/BI at CRGroup. "Adding idu-Concept to CRGroup's toolset of CPM and FP&A solutions provides our customers with a powerful, affordable, flexible and secure system that leverages the Microsoft(R) platform - both on-premise and in the Cloud."

"We're delighted to partner with an industry leader like CRGroup to extend our reach in North America and the Caribbean," said Kevin Phillips, CEO of IDU. "idu-Concept is built on the values of increasing financial accountability, transparency and empowerment throughout an organization, said Kevin Phillips, CEO of IDU. "We enable non-financial managers to engage with budget, forecast and financial information in ways that make it easy to understand. The formalized partnership with CRGroup provides us access to enterprise businesses looking for a reliable cost-effective solution that fits within the terms of their IT strategy."

About IDU

IDU delivers top of class packaged budgeting, forecasting, performance management and reporting tools to simplify financial management. Our flagship product, idu-Concept, provides easy, effective budgeting, forecasting and financial reporting for medium-sized to large

businesses. idu-Concept integrates easily with ERP software, but unlike more cumbersome offerings, idu-Concept can be implemented quickly, requires little or no ongoing consulting and reduces budgeting cycles from months to weeks. For more information on IDU, please visit www.idusoft.com
