“

Chalet Les Anges is so deserving of the award of The World's Best Ski Chalet. The property is simply the best ski rental property”

Alexandra Baradi, Owner and CEO of Exceptional Villas, said “Chalet Les Anges is so deserving of the award of The World's Best Ski Chalet. The property is simply the best ski rental property.” The team led by Eilidh and Klodi work extremely hard and consider every last detail for their clients. Every guest feels extra special. Many clients mention that the team who work in the chalet are almost

like magicians. They anticipate and think of their client's needs and wants almost before their clients think of them themselves. This ability to anticipate clients wishes is the hallmark of the incredible service that clients experience when they stay in the chalet.

Chalet Les Anges has a unique location overlooking the stunningly beautiful car-free town of Zermatt in Switzerland. With a south-facing position, the chalet has the best view of the famous Matterhorn mountain in the town. Enormous panoramic windows take full advantage of the spectacular view.

There are seven bedrooms in the chalet sleeping up to 14 people. Chalet Les Anges comes fully

staffed with a house manager, assistant manager, housekeepers and a Michelin standard chef. In the winter months, the chalet comes fully catered, which means that the rate includes all meals, food, house wines and drinks. In the summer months, clients can choose between either bed and breakfast rate or a fully catered rate.

The wellness area is one of the highlights of this incredibly luxurious Ski chalet. Its features include natural stone walls, a central water feature, massage room, hammam, steam room, sauna, and shower. The spa has direct access to the terrace with incredible Matterhorn views. There is a 3m2 power jet plunge pool. For added convenience, guests have access to the Ski room with heated boots racks.

The town of Zermatt is extraordinary. It is one of the few car-free towns left in the world. The only forms of transport are by foot, bicycle, horse-drawn carriage or electric taxi. The town center has retained a beautiful old world charm yet is full of gorgeous restaurants, bars and shops. However, the crème de la crème of a visit to Zermatt is without a doubt the fantastic skiing and the gourmet mountain restaurants. The skiing is vast and is connected with the towns of Cervinia and Valtourneche. It is possible to have breakfast in Zermatt, lunch in Italy and dinner back in your chalet cooked by your private chef in Switzerland. The mountain restaurants are worth a special mention as there is no ski resort in the world with the same quality of restaurants as Zermatt. Lunches are generally long and leisurely with exquisite food and fabulous wines.
