

Monomethylamine (MMA) Market 2019 Global Industry Demand, Sales, Suppliers, Analysis and Forecasts to 2025

Wiseguyreports.Com Publish Research Report On-"Monomethylamine (MMA) Market 2019 Global Key Manufacturers Analysis, Sales, Supply, Demand and Forecast to 2025"

PUNE, INDIA, December 13, 2019 /EINPresswire.com/ --

[Monomethylamine \(MMA\) Market 2019](#)

Market Overview

Monomethylamine (MMA) can also be called as methylamine. It is considered to be an organic compound. CH_3NH_2 is the chemical formula of Monomethylamine (MMA). Monomethylamine is a colourless gas that is derived from the ammonia. But one of the hydrogen atoms in Monomethylamine (MMA) when replaced with a methyl group is considered to be the simplest primary amine. Monomethylamine (MMA) is considered to be solid as a solution in tetrahydrofuran, water, ethanol, and methanol. It can also be present in anhydrous gas in pressurized metal containers.

Market by Top Monomethylamine (MMA) Companies, this report covers

BASF

Celanese

DuPont

Zhejiang Jiangshan Chemical

Eastman

Changzhou Jufeng Chemical

Mitsubishi Gas Chemical

Hefei TNJ Chemical Industry

Monomethylamine (MMA) is basically transported in its anhydrous form in tank trailers and railcars. The odour of Monomethylamine (MMA) is similar to that of fish. Monomethylamine (MMA) is prepared by the reaction of ammonia with methanol in the presence of an aluminosilicate catalyst. Many commercially available components are prepared with Monomethylamine (MMA). Dimethylamine and trimethylene are produced during the production of Monomethylamine (MMA). Monomethylamine (MMA) occurs as the end result of putrefaction. The report on the global Monomethylamine (MMA) market provides a historical value of the market for the period 2018.

The report on global Monomethylamine (MMA) provides a detailed overview of The AGR growth rate during the forecast period 2019-2025 along with the future prediction of 2025 market value of Monomethylamine (MMA). The report further focuses on the volume and the value of the Monomethylamine (MMA) at global, regional, and company levels. The market report on Monomethylamine (MMA) provides an overall overview market size as the experts have analyzed the historical data along with the future aspects of the regional and global markets of

Monomethylamine (MMA) in the report.

Market Segmentation

The market report provides an extensive analysis of the global Monomethylamine (MMA) market segmentation that will be essential in understanding the growth possibilities in the market. The global Monomethylamine (MMA) market has been analyzed based on some essential market segments that include product types, target application areas, regional markets, and competitive landscape.

On the basis of product type segmentation, the report provides an opinion about the following product segments-

Monomethylamine (40%)

Monomethylamine (50%)

Monomethylamine (60%)

Monomethylamine anhydrous and others

Further, the Monomethylamine (MMA) market has been segmented on the basis of the applications. The report provides some of the essential information on topics like-

Solvents

Pesticides

Pharmaceutical and others.

The market of the Monomethylamine (MMA) is additionally segmented on the ground of the major companies that are present in the Monomethylamine (MMA) markets in different regions.

Regional Overview

The regional segmentation of Monomethylamine (MMA) is performed to collect data from the regional and the global market of Monomethylamine (MMA). The study of Monomethylamine (MMA) has considered some of the major regions and countries like China, India, Japan, North America, Europe, and Southeast Asia. The report speaks about the export, import, production, and apparent consumption of Monomethylamine (MMA) regionally. Along with a survey of the ex-factory, market share, revenue, capacity, production, and manufacturing sites for each key manufacturers in Monomethylamine (MMA) market are covered in this report for Monomethylamine (MMA). Important facts, such as market trends, dynamics, and other influential factors related to different regional markets have been presented in the market report.

Industry News

The company called Chemours is famous for the production of Monomethylamine (MMA) and methyl amides business. As per sources, the company will exit its methylamine and methyl amides business due to which they are planning to cut down the 57 jobs at its Belle, WV chemical production plants. The decision was taken after analyzing the business plans and it was one of the most difficult decisions that were taken from the Chemours.

Table of Contents –Analysis of Key Points

1 Market Overview

2 Manufacturers Profiles

3 Global Monomethylamine (MMA) Sales, Revenue, Market Share and Competition by Manufacturer (2017-2018)

4 Global Monomethylamine (MMA) Market Analysis by Regions

5 North America Monomethylamine (MMA) by Country

6 Europe Monomethylamine (MMA) by Country

7 Asia-Pacific Monomethylamine (MMA) by Country

8 South America Monomethylamine (MMA) by Country
9 Middle East and Africa Monomethylamine (MMA) by Countries
10 Global Monomethylamine (MMA) Market Segment by Type
11 Global Monomethylamine (MMA) Market Segment by Application
12 Monomethylamine (MMA) Market Forecast (2019-2025)
13 Sales Channel, Distributors, Traders and Dealers
14 Research Findings and Conclusion
15 Appendix
List of Tables and Figures
