LANTANA, FLORIDA, UNITED STATES, December 13, 2019 /EINPresswire.com/ -- The company is launching a brand new program with 2 vessels ranging in size from 34' to 37' fully crewed and managed. [Aqualaro's](#) program is quite unique on this market since it offers pay as you go option to its users.

The [mini yacht club program](#) launch in Lantana, Florida offers a unique affordable club program. Andrea Zecevic, CEO of Aqualaro, said, "Aqualaro is a truly unique one of a kind, yacht mini club program. Our thoughts were to create Aqualaro club in a such way where you may upgrade your account even while you are on a vessel. Simply if you need more hours just buy through our online store and you are ready to go."

Once you become a member you just need to select one of our available plans and you are welcome on board. Aqualaro crew and captain will take care of the rest.

Aqualaro's management created 5 [packages](#) where you can choose between purchasing 4 or 25 hours to spend on one of our fully crewed and maintained yachts. You just need to maintain your account by having one hour on a balance, nothing more than that. No annoying agreements, long term relationships, nothing. Simply jump on board and enjoy time spent on either Carver Mariner or Sea Ray Sundancer 360.

Clients are always welcome to visit us at Lantana marina and check vessels prior to making their final decision.

More updates will follow on a timely basis.
