A B2B GoodFirms is a worldwide recognized research, reviews, and rating platform. It aims to assist the service seekers in connecting them with the top companies. The analyst team of GoodFirms conducts a profound assessment which includes several parameters.

The research process integrates three key factors that are Quality, Reliability, and Ability. Each element is segregated into numerous metrics, such as verifying the complete background of every firm. Determining the years of experience in their area of expertise, online market penetration and client reviews.

Furthermore, considering the overall research process, GoodFirms provide the scores to each agency out of the total 60. Thus, according to these points, all the firms are indexed in the catalog of top service providers as per their categories.

Recently, GoodFirms has revealed the new listing of [Best Email Hosting Providers](#) that deliver trustworthy, highly secured and scalable services to their clients.
