Tom handcrafts solid wood furniture that is Shaker inspired and is traditional with a modern flair. The clean line of the Shaker form inspires the design, creating pieces sized proportionally for today's needs. The Shakers have had a profound influence on Tom's work: their clean unadorned simplicity, functionalism and craftsmanship. He also is influenced with a deep respect for the furniture craftsmen of the 17th and 18th centuries. Their knowledge of form, balance, joinery and of wood movement is evident

in the pieces of fine furniture that still exist today. Thomas William Furniture is based out of Southeastern Wisconsin, Milwaukee metropolitan area. For more information, <http://www.thomaswilliamfurniture.com>
