

SmartOffice for iOS Goes Freemium – Premium Plans Added

SmartOffice mobile productivity suite for iOS now offered for free on App Stores.

NOVATO, CA, USA, December 17, 2019 /EINPresswire.com/ -- [Artifex Software Inc.](#), developers of the SmartOffice family of products is pleased to announce the release of a tiered premium plan for the popular mobile office editing and PDF viewer app, SmartOffice.

The SmartOffice mobile app enables you to view, edit, create, share, present and print Microsoft Office (Word, Excel, and PowerPoint) and PDF documents on your mobile devices. Customers who upgrade to the PRO version can utilize advanced tools including Track Changes and PDF form filling, while users who don't require these advanced features can use the standard app for free.

"Artifex is pleased to move to a freemium pricing model. This allows end-users to try our standard product free of charge (and free of ads) while offering advanced features on a subscription basis," said Miles Jones, President of Artifex Software. "Our easy-to-use editing functions and powerful PDF annotation features make SmartOffice the perfect match for today's on-the-go world. Offering our solution for free will expand our reach and broaden the SmartOffice audience."
