

# CRH Vision Celebrates 40 Years of Providing Chester County Eye Care

*Clompus Reto & Halscheid Vision Assoc provided high-quality Chester County eye care West Chester, PA and in their Chester County eye care Exton offices*

WEST CHESTER , PA, UNITED STATES, December 16, 2019 /EINPresswire.com/ -- ++++ West Chester and Exton PA Offices

Clompus, Reto & Halscheid Vision Associates Celebrates 40 Years of providing [Chester County Eye Care](#) to area residents.

Since opening in West Chester in 1980, the team of Chester County eye care center professionals at Clompus, Reto & Halscheid Vision Associates has consistently provided high-quality Chester County eye care in West Chester, PA and in their [Chester County eye care Exton](#) offices. Their doctors and staff strive to fulfill the practice mission statement of "providing patients with services of value; of the highest possible quality; in a truly caring and personalized atmosphere."

In 2020, the doctors and staff at the Chester County eye care center located in both West Chester and Exton, PA. Clompus, Reto and Halscheid Vision Associates (CRH Vision) will proudly celebrate their 40th year of caring for patients in Chester County eye care Exton and Chester County eye care West Chester, PA.

“

we've grown and matured as a practice, one thing has always remained the same – the relationships we've developed with our patients and their families.”

*Dr. Steven Reto*

Through the myriad of medical and technological advances of the past 40 years, the practice has remained at the forefront of Chester County eye care West Chester. CRH Vision has grown from one physician in the early 1980s to the current staff of five physicians providing the best of Chester County eye care.

The scope of practice has expanded from vision examinations and quality eyewear to specialty contact lens care to the advanced care of ocular diseases such as glaucoma. Their physicians examine patients of all ages and truly provide every aspect of Chester County eye care. In cases where surgical intervention is required, medical co-management with local ocular surgeons is also provided.

The practice now has two state-of-the-art facilities for Chester County eye care. Dr. Steven Reto,

CHR Vision chester county eye care

Dr. Examining young boy's eyes

who has been with the practice since 1987, proudly notes, "In my years of practice, I've seen the scope of our services grow in many exciting new ways. As we've grown and matured as a practice, one thing has always remained the same – the relationships we've developed with our patients and their families."
