

North Carolina US Navy Veterans Lung Cancer Advocate Appeals to a Navy Veteran with Lung Cancer Who Also Had Heavy Exposure to Asbestos to Call for Direct Access to the Lawyers at KVO To Help with Compensation

CHARLOTTE , NORTH CAROLINA , USA, January 28, 2020 /EINPresswire.com/ -- The North Carolina US Navy Veterans Lung Cancer Advocate is appealing to a Navy Veteran or person with lung cancer anywhere in North Carolina to call them anytime at 800-714-0303 if they had heavy exposure to asbestos in the navy or at a workplace. People like this with lung cancer typically are not aware the \$30 billion dollar-asbestos trust funds were set up for them too. Most people with asbestos exposure lung cancer are over 60 and may not even recall their asbestos exposure because it took place so long ago.

North Carolina

The Advocate says, "We want a Navy Veteran or person with lung cancer in North Carolina to call us anytime at 800-714-0303 if they can prove they had heavy exposure to asbestos in the navy or at work asbestos. Navy Veterans are probably at the highest risk for asbestos exposure-but it could also be a power plant or manufacturing worker and or any type of skilled trades worker. We offer direct access to the lawyers at the law firm of Karst von Oiste for a person like this. The lawyers at Karst von Oiste specialize in financial compensation for Navy Veterans or people with asbestos exposure lung cancer and mesothelioma nationwide and they are responsible for over a billion dollars in compensation for people like this." www.karstvoniste.com/
