- Ericsson
- Huawei Technologies
- Verizon Communications

- Nokia Networks
- Telefonica S.A.
- T-Mobile USA
- Cisco Systems
- AT&T
- Qualcomm
- Orange S.A

The "Global 5G Market Analysis to 2025" is a specialized and in-depth study of the 5G industry with a focus on the global market trend. The report aims to provide an overview of global 5G market with detailed market segmentation by solution, deployment type, application, vertical and geography. The global 5G market is expected to witness high growth during the forecast period. The report provides key statistics on the market status of the leading market players and offers key trends and opportunities in the market.

The Global 5G Market is expected to grow from US\$ 2.56 Bn in 2020 to US\$ 23.95 Bn by 2025 at a CAGR of 56.39% between 2020 and 2025.

Besides this, the report analyzes factors affecting 5G market from both demand and supply side and further evaluates market dynamics affecting the market during the forecast period i.e., drivers, restraints, opportunities, and future trend. The report also provides exhaustive PEST analysis for all five regions considered in the Global 5G Market report.

The report provides a detailed overview of the industry including both qualitative and quantitative information. It provides an overview and forecast of the global 5G market based on the type and application. It also provides market size and forecast till 2025 for overall 5G market with respect to five major regions, namely; North America, Europe, Asia-Pacific (APAC), Middle East and Africa (MEA) and South America (SAM). The market by each region is later sub-segmented by respective countries and segments. The report covers the analysis and forecast of 18 countries globally along with the current trend and opportunities prevailing in the region.

Answers that the report acknowledges:

- Market size and growth rate during forecast period.
- Key factors driving the 5G Market.
- Key market trends cracking up the growth of the 5G Market.
- Challenges to market growth.
- Key vendors of 5G Market.
- Detailed SWOT analysis.
- Opportunities and threats faces by the existing vendors in Global 5G Market.
- Trending factors influencing the market in the geographical regions.
- Strategic initiatives focusing the leading vendors.
- BEST analysis of the market in the five major regions.
