Georgia Aquarium Attraction in Atlanta

The Georgia Aquarium has been open since November 2005 when the aquarium greeted over one million guests during the first 100 days and 3.6 million guests visiting within the first year. This is home to thousands of marine animals including: whale sharks, beluga whales, African penguins, big-bellied seahorses, southern sea otters and California sea lions. The Aquarium is organized into seven different zones contributing to the feeling of exploration.

“

This is an amazing aquarium and we are thrilled to add this to the other world class aquariums on the 365Tickets platform.”
