

# Most Accurate Fantasy Tennis Predictions and Picks Get ADVANCED Data Functionality

*Big Data Tennis now gives individual player stats against league averages in addition to providing the most accurate tennis predictions and picks on the planet.*

BLOOMINGTON, IL, 61701, December 30, 2019 /EINPresswire.com/ -- Big Data Tennis <https://bigdatatennis.com> - the most accurate tennis predictions and picks website on the planet - has added advanced functionality. Users now have an even greater competitive edge for DFS fantasy tennis.

Big Data Tennis already provides users with head-to-head tennis predictions and picks that boast a 72%+ accuracy rate, the highest on the planet.

[Until February 2, 2020, if you would like a trial promo code for either of the new tiers, please visit <https://bigdatatennis.com>, contact [matthew@bigdatatennis.com](mailto:matthew@bigdatatennis.com) or text +1 (872) 216-4687.]

## NEW FEATURES

With our Tier 1 and 2 advanced data, users get the following information for any ATP, WTA, Challenger or ITF player:

- Matches played + league average
- Player games won + league average
- Player games lost + league average
- Aces + league average
- Doubles faults + league average
- Sets won + league average
- Opponents retired + league average
- Break points won + league average
- Service breaks + league average

Tier 1 is \$39.99/month and has a twelve month data look-back. Big Data Tennis will limit the amount of subscribers to this level. Tier 2 has six weeks of player history and will cost \$4.99/month.

This data is not available through any other source in such an easy-to-use format as <https://bigdatatennis.com/>.

It is worth noting that tennis is the second most popular sport by punters around the world. (The

first is American soccer/European football.) Because of this reality, Big Data Tennis is uniquely positioned for growth over the next decade as more users are introduced to DFS fantasy tennis and more states legalize sports betting. Currently 42 US states either allow or are on the path to legalizing sports betting.

Until February 2, 2020, if you would like a trial promo code for either tier, please visit <https://bigdatatennis.com>, contact [matthew@bigdatatennis.com](mailto:matthew@bigdatatennis.com) or text +1 (872) 216-4687.

Big Data Tennis will also be live on YouTube every day during the ATP Cup and Australian Open with our predictions and picks. You can tune in here <https://www.youtube.com/bigdatatennis>. Our Instagram is <https://www.instagram.com/bigdatatennisig>.
