

iServices, LLC Becomes a Registered, Authorized and Warrantied Computer Repair Company

Delivering authentic computer adjustment services

PORTSMOUTH, UNITED KINGDOM, December 29, 2019 / EINPresswire.com/ -- Professional computer repair company, iService, LLC is currently certified, insured and licensed. This was announced today by iService, LLC. Local customers around Newport and Bristol counties of Rhode Island, Southern Massachusetts, and parts of Connecticut are now assured that they will be dealing with a prime computer repair company.

"It is with immense pleasure that we make it known to our customers that we are presently a registered company. Quality computer repair service is what we eagerly seek to deliver to our customers. And we have dedicated a great deal of time and determination to achieve that. One of the most impacting actions we have taken is this very act of completely certifying our company," notes CEO of iService, LLC.
