

Pennsylvania US Navy Veterans Lung Cancer Advocate Urges A Navy Veteran or Person in Pennsylvania With Asbestos Exposure Lung Cancer to Call for Direct Access to the Law Firm of KVO-Get Compensated

PITTSBURGH , PENNSYLVANIA, USA, February 5, 2020 /EINPresswire.com/ -- According to the Pennsylvania US Navy Veterans Lung Cancer Advocate, "We are urging a Navy Veteran or person with lung cancer anywhere in Pennsylvania to call us anytime at 800-714-0303 if they had heavy exposure to asbestos while serving in the navy or at work. Financial compensation for a person like this could exceed a hundred thousand dollars but we fear most will never get compensated because they are not aware the asbestos trust funds were set up for them too. They typical person we are trying to help is over 60 years old.

"To get the financial compensation job done for a person with asbestos exposure lung cancer in Pennsylvania we have endorsed the amazing attorneys at the law firm of Karst von Oiste. The lawyers at the law firm of Karst von Oiste are responsible for over a billion dollars in financial compensation for Navy Veterans or people with asbestos exposure lung cancer or mesothelioma in Pennsylvania and nationwide. For direct access to the lawyers at the law firm of Karst von Oiste please call us anytime at 800-714-0303."

High-risk work groups for exposure to asbestos in Pennsylvania include US Navy Veterans, power plant workers, shipyard workers at the Philadelphia Navy Yard, oil refinery workers, steel mill workers, coal miners, manufacturing workers, public utility workers, plumbers, electricians, auto mechanics, welders, millwrights, insulators, machinists, or construction workers. Typically, the person's exposure to asbestos occurred in the 1950's, 1960's, 1970's, or 1980's. www.karstvonoste.com/

According to the American Cancer Society for nonsmokers who have been exposed to asbestos in their workplace the risk of lung cancer is five times that of unexposed workers.
