

Registration Opens for Military PNT 2020

SMi reports: Registration is now open for the Military PNT Conference, which will convene in London on 18th-19th May 2020.

LONDON, LONDON, UNITED KINGDOM, January 7, 2020 /EINPresswire.com/ -- Conference organisers, SMi Group, are pleased to announce that [Military Positioning, Navigation and Timing \(PNT\)](#) will commence in London on the 18th and 19th of May 2020.

The [two-day conference](#) will highlight key topics within satellite navigation technology, including PNT resilience, legal frameworks, a case study analysis on GNSS outages and how warfighters operate in denied and degraded environments. Delegates will also have the opportunity to network with senior military leaders, government stakeholders and innovative companies within the satellite technology domain.

The poster features a central image of a satellite in orbit above the Earth's horizon. The text 'Military PNT' is prominently displayed at the top, followed by the dates '18th -19th May 2020 | London, UK'. The SMi logo is in the top right corner. At the bottom, the website 'www.militarypnt.com' is listed, with 'Military PNT 2020' written below it.

Registration is live on the website and an early bird saving of £400 will be applied to bookings made before 31st January 2020: <http://www.militarypnt.com/EINpr1>

Highlights will include:

- The conference will explore how PNT constellations are developing, and discuss procurement priorities and requirements for the next generation of global navigation systems
- Delegates will hear updates from commercial solution providers who are developing cutting edge technologies with international partners
- Delegates will listen to the needs of the warfighter and how they operate in denied and degraded environments
- Delegates will have the opportunity to meet and network with innovative companies and government stakeholders to discuss disruptive future approaches to space

Speakers will include:

- Squadron Leader Mark Lynch, Beyond Line of Sight Desk Officer & SO2 SATCOM and PNT, UK Strategic Command, UK MoD
- Lieutenant Colonel Stephen Toth, Commander, 2nd Space Operations Squadron, US Air Force
- Mr Arlen Biersgreen, Program Manager, Navigation Technology Satellite 3 (NTS-3), AFRL, US Air Force
- Mr Jean-Pierre Diris, Head of Department, Navigation and Telecommunication, National Centre for Space Studies (CNES)

- Dr Pierluigi Mancini, NAVISP Programme Manager, Directorate of Navigation, European Space Agency
- Dr Ingo Baumann, Attorney at Law & Partner, BHO Legal
- Dr Ivan Petrunin, Lecturer in Digital Signal Processing for Autonomous Systems, Cranfield University
- Dr Robert Weber, Head of Satellite Geodesy Research Group & AUSPRO Lead, TU-Vienna & FFG
- Dr Sarang Thombre, Research Manager & Research Group Leader, Navigation and Positioning, Finnish Geospatial Research Institute FGI
- Lieutenant Colonel Tim Vasen, Space SME, C4ISR & Space Branch, Joint Airpower Competence Centre (JAPCC)
- Mr Alexander Rügamer, Group Manager Specialized GNSS Receivers, Fraunhofer Institute for Integrated Circuits IIS
- Mr Rasmus Flytkjær, Associate Director, Space, London Economics
- Professor Bryn James, Senior Fellow – Physical Sciences Group, Dstl

The event brochure with the full agenda and speaker line-up is available to download from the website; those interested in attending can register now to claim their £400 early bird discount: <http://www.militarypnt.com/EINpr1>
