

Reuben's Brews Announces 2020 Beer Release Calendar

Award-winning brewery adds new year-round IPA and grows seasonal lineup in 2020

SEATTLE, WASHINGTON, USA, January 6, 2020 /EINPresswire.com/ -- [Reuben's Brews](https://reubensbrews.com/), a family-owned and operated Pacific Northwest Brewery, today unveiled its beer release schedule for 2020. Adding to the breadth of its beer portfolio, having released more than 170 beers last year, Reuben's Brews is introducing a new year-round IPA as well as two new series of seasonal releases to its 2020 calendar.

Mind the Gap! IPA is joining the lineup of year-round beers Crikey IPA, Pilsner, Hazealicious IPA, and Robust Porter, while the Seasonal IPA roster will remain the same as 2019, featuring Bits & Bobs, Summer IPA and Moreish IPA.

Reuben's Brews will also release the following innovative highlights in 2020:

New Year-Round Beer: Mind the Gap!
Mind the Gap! is a highly drinkable and crisp India Pale Ale at 5.3% ABV. Previously available only at the Reuben's Brews Taproom in Seattle, Mind the Gap! will now be available year-round in cans beginning in March 2020. Perfect for Pacific Northwest adventures, this brew was made for mindfully enjoying the "gaps" in the day.

Reuben's Crush® Series Becomes a Year-Round Seasonal
Reuben's Crush® Series, previously only available in limited release, joins the calendar as a seasonal rotator. The hazy IPAs in the Reuben's Crush® Series will be available for distribution in 16-ounce cans and on draft, offering the Pacific Northwest more access to this popular line of hazy IPAs than ever before.

New Series: Unbound Series

This new 22-ounce bottle lineup puts innovative twists on year-round brews by unleashing them with extra ingredients and new ideas. The first beer to launch in the series in January 2020 is Bloody Crikey, a blood-orange version of the popular Crikey IPA. In March, More Bits & Bobs will follow as an imperial version of the winter/spring seasonal IPA. Other seasonal beers in the Unbound Series include Lemon Lime Pilsner, Hazealicious P.O.G., Autumn Harvest and Reuben Claus.

Small Batch and Sour Series Join the New Breadth Series

Reuben's Brews will continue to release a variety of beers from its three breweries (5bbl, 15bbl,
