

# Utah US Navy Veterans Lung Cancer Advocate Urges a Navy Veteran who Had Heavy Exposure to Asbestos in the Navy and Now Has Lung Cancer to Call for Direct Access to the Lawyers at Karst von Oiste-Get Compensated

SALT LAKE CITY, UTAH, USA, February 14, 2020 /EINPresswire.com/ -- The Utah US Navy Veterans Lung Cancer Advocate says, "Most Navy Veterans or workers who get diagnosed with lung cancer in their 60's or 70's do not realize that asbestos exposure could have contributed to the development of their lung cancer. They also typically do not know the \$30 billion dollar-asbestos trust funds were set up for them too--even if the person with lung cancer combined with asbestos exposure smoked cigarettes. We are advocates for Navy Veterans or people with asbestos exposure lung cancer and we want to make certain they get compensated as we would like to discuss anytime at 800-714-0303."

High-risk work groups for exposure to asbestos in Utah include US Navy Veterans, a civilian employee at Hill Air Force Base, a worker at one of Utah's dozen+ power plants, oil refinery workers, public utility workers, plumbers, electricians, auto mechanics, welders, insulators, machinists, or construction workers. In most instances, a diagnosed person with mesothelioma was exposed to asbestos in the 1950's, 1960's, 1970's, or 1980's. [www.karstvonoiste.com/](http://www.karstvonoiste.com/)

“

"Most Navy Veterans or workers who get diagnosed with lung cancer in their 60's or 70's do not realize that asbestos exposure could have contributed to the development of their lung cancer."

*Utah US Navy Veterans Lung Cancer Advocate*

According to the American Cancer Society for nonsmokers who have been exposed to asbestos in their workplace the risk of lung cancer is five times that of unexposed workers. <https://www.cdc.gov/cancer/lung/statistics/index.htm>.

The US Navy Veterans Lung Cancer Advocate says, "If your husband, dad, coworker or neighbor has just been diagnosed with lung cancer and you know they had significant exposure to asbestos in the navy, at a shipyard or while working at a factory, at power plant, public utility, or as a plumber, electrician welder, mechanic or any kind

of skilled trades group in any state please have them call us anytime at 800-714-0303. Most people like this never get compensated-even though the asbestos trust funds were set up for them too. We are trying to change this sad fact." <https://USNavyLungCancer.Com>

States with the highest incidence of lung cancer include Kentucky, West Virginia, Maine, Tennessee, Mississippi, Ohio, Indiana, Louisiana, Arkansas, Missouri, North Carolina, Rhode Island, Alabama, and Delaware. [www.karstvonoiste.com/](http://www.karstvonoiste.com/)
