

Plyzer Technologies Inc. announces new SaaS customer for its business intelligence and analytics software: Exeltis

Plyzer continues to build sales momentum for its business intelligence and analytics platform

TORONTO, ONTARIO, CANADA, January 7, 2020 /EINPresswire.com/ -- [Plyzer](#) Technologies Inc. (PLYZ: OTCQB) is pleased to announce that it has signed Exeltis

2020 will be a big breakout year for our company. Sales will continue to grow eventually leading to solid profitability "

Luis Pallares

as a new SaaS customer for its business intelligence and analytics software, Plyzer Intelligence. Exeltis is a global healthcare organization which operates through a network of more than 40 subsidiaries, employing close to 4,000 professionals across over 40 countries. Exeltis is under the umbrella of Insud Pharma, an integrated health sciences group.

For more information on Exeltis, please visit <https://www.exeltis.com/>

"We are very happy to partner with Exeltis because they have a strong position in the women's health sector and other areas such as respiratory, dermatology and ophthalmology. We will help them make critical and strategic short-term decisions, while also fulfilling long-term goals with respect to their use of data and business intelligence ", said Luis Pallares, founder and CEO of Plyzer Technologies Corporation.
