

# Apollos University and American Education Group (AEG) Announce Malaysian Muslim Scholarship Program

GREAT FALLS, MT, UNITED STATES, January 7, 2020 /EINPresswire.com/ -- [Apollos University](#) is an academic institution of higher learning that is dedicated to the principle of providing the highest quality education at an affordable tuition rate for students who seek to increase their career advancement opportunities and enhance their leadership skills. Our programs are built on a foundation of knowledge transfer, application of knowledge, critical thinking, and research skills. Apollos' programs are offered worldwide through an online, distance learning methodology designed to meet the needs of the global student while providing individualized service to our students.

As evidence of its commitment to Malaysia, Apollos University is proud to announce it signed an Educational Partner Program (EPP) agreement with the [American Education Group \(AEG\)](#) located in Johor Malaysia and the two organizations have joined together to offer professional development programs.

AEG and its educational partners, such as the Apollos University and [Madison Education Group \(MEG\)](#), are changing lives and preparing leaders for success in Malaysia. AEG does this by offering cutting-edge certificate programs and workshops in English language, business, and information technology which are designed to strengthen the student's futures and equip them with critical skills and knowledge that help place them in the top of their professions.

In keeping with its mission, Apollos University held a Graduation and Honor Ceremony in the Renaissance Johor Bahru Hotel on 12 November 2019. The focus of the ceremony was to celebrate Apollos' entrance into the Malaysian education market. Dr. Scott Eidson, President of Apollos stated, "Apollos University is entering the

During the ceremony, Apollos graduated students and honored other individuals for their contributions to society as well as scientific contributions. The students and honorees came from Malaysia and various parts of Southeast Asia. Datuk Tee Siew Kiong and his wife were honored guest and Dato Jordan Ng Jui Sia provided the Keynote Speech discussing the need for quality education and how the local government is working to improve the foundations of education within their countries.

During the celebration, Dr. Paul Eidson presented a highlight of the program by introducing the new Malaysian Muslim Scholarship Program as part of the entrance of Apollos University into the Malaysian educational arena. The scholarship program is designed for Malaysian Muslims that want to attend Apollos and study online in one of the undergraduate or graduate level programs. Dr. Eidson outlined who is eligible to apply for the scholarships and the specific requirements to be considered.
