PHOENIX, ARIZONA, USA, February 18, 2020 /EINPresswire.com/ -- The Arizona Mesothelioma Victims Center is urging a Navy Veteran with mesothelioma in Arizona or their family to not spin the wheel when it comes to talking to an attorney about compensation. The group has endorsed attorney Erik Karst of the law firm of Karst von Oiste to ensure a Navy Veteran or person with mesothelioma receives the best possible financial compensation. According to the Arizona Mesothelioma Victims Center, "We do not want a Navy Veteran or person in Arizona playing lawyer roulette with all of the great freebies-because nothing is free. Nor do we want to see a person with mesothelioma, or their family members being hounded by attorneys they have never heard of before.
