

Arkansas US Navy Veterans Mesothelioma Advocate Offers a Navy Veteran with Mesothelioma in Arkansas Direct Access to Attorney Erik Karst of Karst von Oiste to Discuss Compensation-Get Real Answers Today

LITTLE ROCK, ARKANSAS, USA, February 19, 2020 /EINPresswire.com/ -- The Arkansas US Navy Veterans Mesothelioma Advocate says, "Our top priority is seeing to it that a Navy Veteran or person with mesothelioma in Arkansas receives the best possible financial compensation results. If you are a Navy Veteran with mesothelioma in Arkansas, their wife or adult children please call us anytime at 800-714-0303 so we can introduce you to attorney Erik Karst the founding partner of Karst von Oiste. Erik Karst and his colleagues at Karst von Oiste are responsible for over a billion dollars in mesothelioma compensation nationwide and they make house calls anywhere in Arkansas. In other words-they come to you-you don't have to go to them." www.karstvonoiste.com/

The Advocate wants to emphasize a Navy Veteran with mesothelioma typically had their primary exposure to asbestos at navy bases or shipyards in Virginia, Maine, South Carolina, Florida, California, Washington or Hawaii. A Navy Veteran mesothelioma compensation claim is different than a compensation claim-for a civilian especially if the Navy Veteran had exposure to asbestos exposure on a nuclear submarine, or an aircraft carrier's reactor as they would be happy to discuss at 800-714-0303. The reason they have endorsed the law firm of Karst von Oiste and Erik Karst is because they so much experience assisting Navy Veterans receive the best possible mesothelioma compensation results. <https://Arkansas.USNavyMesothelioma.Com>

The Arkansas US Navy Veterans Mesothelioma Advocate is offering the following free services for a Navy Veteran with mesothelioma in Arkansas:

* "We will assist with VA Disability payments."

* "We will assist a Navy Veteran with mesothelioma to get organized about how, where and when they were exposed to asbestos. We call this service the 'list' and it is this information that becomes the basis for a mesothelioma compensation claim as we would like to discuss at 800-714-0303."

Individuals with mesothelioma in the state of Arkansas could have been exposed to asbestos while serving in the US Navy or working at a power plant, at an oil or gas facility, as a plumber, a boiler technician, as an auto repairman, as an electrician, insulator, at a pulp and paper mill or at a construction job site. In most cases, the exposure to asbestos caused mesothelioma at one of these types of workplaces in the 1950s, 1960s, 1970s, or 1980s. Mesothelioma typically takes three to five decades to develop.

The states with the highest incidence of mesothelioma include Pennsylvania, Massachusetts, Maine, New Jersey, West Virginia, Florida, Wyoming, Oregon, Louisiana and Washington. However, mesothelioma and asbestos exposure lung cancer does happen in Arkansas as the Arkansas Mesothelioma Victims Center would like to explain anytime at 800-714-0303.
